

# CUSTOMISABLE TO YOUR COMPANY

Corporate Yoga Class contracts / services are customisable to your companies size and needs. In order to arrange timings and prices reach out to me directly via [elisebuddleyoga@gmail.com](mailto:elisebuddleyoga@gmail.com) so we can work out the best situation for you.

Classes can be run at your offices, based on your location, at my home studio for a maximum of 6 people (24A Avenue D'Ouchy) or at an arranged rented space by your company.

If it is desired to run the classes at your company and the company lacks equipment I can personally order yoga mats, blocks and other necessary equipment for a discounted price and send it to your company directly. I will include these costs in any prepared invoices for class payment.

**\*Monthly payments will be invoiced with a 50 CHF fee for late payments/month.**
